

WE ARE RIGHT BECAUSE WE HAVE NOTHING LEFT TO LOSE

There is a definite system,
this is what you can do:
amp it up and improve the aerial
or be awake and sleep away
with emptiness inbetween.

At the moment though
even the tree roots are radio
and everything is coloured,
the liveable hues understood
as rapers of enlightenment,
Cult 1-9 membership required.

AGAINST THE NATIONAL INTEREST

Every variation of reds and fash
are divided-and-ruled potatoes mashed
together in the psychoactive gravy,
fighting for their never-ending slavery.

The incompetence and subservience
are more than enough evidence
as uninformed traitors
in the Labour-Tory Century
suck deep on their
ultimately inimical sugar daddy
to keep a lid on the pressure cooked,
but soon the whole shitshow
is really gonna blow
with no more fans to hit.
